eSchool Repair and Replacement Policy

- I understand that if I cause, or allow to be caused through whatever means, damage to GNLS ICT equipment, then I will need to contribute towards the repair or replacement of the equipment in part or whole as determined by the School.
- The first instance of accidental damage / loss to an iPad in a particular year will be covered 50% by the School and 50% by the parent / guardian of the child.
- Any subsequent damage / loss in that same year will be 100% covered by the parent / guardian.
- Wilful damage or loss will incur the full replacement cost.
- In the case of first instances, repair or replacement of a device will only proceed once written agreement to pay the required financial contribution has been received by the School from the relevant parent / carer.
- In the case of subsequent or wilful instances, repair or replacement will only proceed after the financial contribution is received by the School from the relevant parent / carer.
